

ORDINANCE NO. 18-1101

AN ORDINANCE OF THE CITY OF BLACK DIAMOND, WASHINGTON, GRANTING TO CCD BLACK DIAMOND PARTNERS LLC, TEN TRAILS COMMUNITY COUNCIL, AND TEN TRAILS RESIDENTIAL OWNERS ASSOCIATION A NON-EXCLUSIVE FRANCHISE TO USE AND OCCUPY CERTAIN PUBLIC RIGHTS-OF-WAY FOR THE PURPOSE OF CONSTRUCTING, MAINTAINING, AND OPERATING PRIVATE STORM DRAINAGE SYSTEMS, INCLUDING RAIN GARDENS AND BIO RETENTION SYSTEMS; IRRIGATION SYSTEMS, INCLUDING RECLAIMED WATER DISTRIBUTION; LANDSCAPE LIGHTING; PRIVATE SANITARY SEWER SYSTEMS; AND APPURTENANCES.

WHEREAS, RCW 35A.47.040 authorizes code cities to issue non-exclusive franchises for use of public street and rights-of-way, and

WHEREAS, the City has determined that the improvements contemplated and regulated by this ordinance are appropriate and in the best interests of current and future residents of the City; and

WHEREAS, this ordinance has been introduced more than five (5) days prior to its passage by the City Council, and

WHEREAS, this ordinance has been submitted to the City Attorney and has received at least a majority vote of the entire City Council at a regular meeting, now, therefore

THE CITY COUNCIL OF THE CITY OF BLACK DIAMOND, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. Rights Granted. The right is hereby granted to CCD BLACK DIAMOND PARTNERS LLC, the TEN TRAILS COMMUNITY COUNCIL, and the TEN TRAILS RESIDENTIAL OWNERS ASSOCIATION, their heirs, successors, legal representatives and assigns (collectively hereinafter referred to as the "Grantee") to lay, construct, extend, maintain, repair, renew, operate, and replace private storm drainage systems, including rain gardens and bio retention systems, irrigation systems, including reclaimed water distribution, landscape lighting, private sanitary sewer systems, and appurtenances in, on, under, over, through, along and/or across the public right-of-ways within The Villages Master Planned Development as legally described in Exhibit B to The Villages Master Planned Development Agreement dated December 12, 2011 recorded under King County recording no. 2012013000065 as amended (the "Development Agreement") located in the City of Black Diamond (hereinafter referred to as the "City") for the term of ten (10)-years from and after the effective date of this ordinance, except as hereinafter provided. At the end of the ten (10)-year period this franchise shall automatically renew on the anniversary date each year thereafter unless one party gives the other party written notice of intent to terminate the franchise at least six (6) months in advance of the anniversary date. The City of

Black Diamond agrees to not unreasonably withhold such franchise renewal provided the purpose of the franchise has not substantially changed. In the event that this franchise continues beyond the existence of the Master Development Review Team (“MDRT”) as defined in the Development Agreement, the City Public Works Director shall succeed the MDRT with regard to all rights and obligations conferred by this franchise.

Section 2. City's Reservation of Rights. Nothing herein shall be deemed to direct or restrict the City's ability to adopt and enforce all necessary and appropriate ordinances, and permit requirements regulating the performance of the conditions of this franchise, including any valid ordinance made in the exercise of its police powers in the interest of public safety and for the welfare of the public. The City shall have the authority at all times to control by appropriate regulations the location, elevation, manner of construction and maintenance of any facilities of the Grantee, and the Grantee shall promptly conform with all such regulations, and permit requirements, unless compliance would cause the Grantee to violate other requirements of law.

Section 3. Franchise Fee. In consideration of the fact that i) the Development Agreement requires the recharge of groundwater with stormwater infiltrated using low impact development techniques and infiltration facilities, ii) the City requires adaptive management of detention and discharge rates and maintenance of hydrology for Black Diamond Lake and wetlands on the site through recharge, and iii) that the only feasible route to achieve these standards and conditions is by crossing and within the City right of way, the City will not impose a franchise fee. Further, in consideration for Grantee providing and paying for the cost of irrigation systems, reclaimed water systems, and water necessary for irrigation of landscape improvements on City-owned property, at no charge to the City, the City will not impose a franchise fee. In addition, in consideration of landscape lighting being provided where appropriate to enhance the character of the community while providing a higher level of security for all citizens of the community who may use the parks and trails at night and that the cost to operate the lights will be at no cost to the City, the City will not impose a franchise fee. Finally, in consideration of the fact that private side sewers are required by the City to be placed in City right of way because it is the most protected and practical route, the City will not impose a franchise fee.

Section 4. Approval of Plans. Prior to construction of any of the facilities in the area described in Section 1 herein, the Grantee shall submit to the City's MDRT, in triplicate, plans drawn to an accurate scale, showing the exact location, character, position, depth and height of the work to be done. The plans shall accurately depict the relative position and location of all lines, facilities and appurtenances to be constructed, hung, laid, re-laid, installed, replaced, repaired, connected or disconnected, in the existing street or public right-of-way. All streets and public right-of-way denoted thereon shall be designated by their name and number and any local improvements therein such as roadway pavement, shoulders, sidewalks, curbs, gutters, ditches, driveways, parking strips, telephone or electric distribution poles, conduits, storm, gas or water pipes as may exist on the ground or area above sought to be occupied shall be outlined.

In the construction proposed by the Grantee, all materials and equipment shall be of the first class type and kind. The exact class and type to be used shall be shown on the plans,

as will the equipment to be used and the mode of safeguarding and facilitating the public traffic during construction. The manner of excavation, construction installation, backfill and temporary structures (such as traffic turnouts, road obstructions, etc.) shall meet with the approval of, pass all requirements of, and be constructed under the supervision of the MDRT. Prior to approval of any work under this franchise, the MDRT may require such modifications or changes, deemed necessary to properly protect the public in the use of the public places, and may fix the time or times within and during which such work shall be done. The Grantee shall submit a Right-of-Way Use Permit and/or Utility Permit as required by the MDRT prior to work within the City's right-of-way.

Section 5. Requirement for Work in Public Rights-of-Way. Whenever the Grantee shall excavate in any public right-of-way for the purpose of installation, construction, repair, maintenance or relocation of its facilities, it shall apply to the City for a permit to do so and, in addition, shall give the City at least ten (10) working days' notice of intent to commence work on main lines in the right-of-way, unless such notice is waived by the MDRT. In no case shall any work commence within any public right-of-way without a permit, except as otherwise provided in this franchise ordinance.

During any period of relocation, installation, construction or maintenance, all surface structures, if any, shall be erected and used in such places and positions within said public right-of-ways and other public properties so as to interfere as little as possible with the free passage of traffic and the free use of adjoining property, and the Grantee shall at all times post and maintain proper barricades and comply with all applicable safety regulations during such period of construction as required by the ordinances of the City or the laws of the State of Washington, including RCW 39.04.180 for the construction of trench safety systems.

If the Grantee shall at any time plan to make excavations in any area covered by this franchise and as described in this Section, the Grantee shall afford the City, upon receipt of a written request to do so, an opportunity to share such excavation, PROVIDED THAT:

- A. Installation of any lines is compatible with all federal, state and local regulations and Grantee's construction standards;
- B. Such joint use shall not unreasonably delay the Grantee's work;
- C. Such joint use shall be arranged and accomplished on terms and conditions satisfactory to both parties;
- D. The Grantee may deny such request for safety reasons.

Section 6. Protection of the Public Health, Safety and Property. Whenever an accident, faulty operation, excavation, fill or other condition associated with the construction, installation, maintenance or repair of the facilities authorized under this franchise has caused or contributed to a condition that appears to substantially impair the lateral support of the adjoining

street or public place, or endanger the public, and adjoining public place or street utilities or City property, the MDRT may direct the Grantee, at its own expense, to take actions to protect the public, adjacent public places, City property and street utilities, and may require compliance within a prescribed time.

In the event that the Grantee fails or refuses to take the actions directed promptly, or fails to fully comply with such directions given by the MDRT, or if emergency conditions exist which require immediate action, the City may enter upon the property and take such actions necessary to protect the public, the adjacent streets, or streets, or street utilities, or to maintain the lateral support thereof, including placing of temporary shoring, backfilling, alteration of drainage patterns and any other actions reasonable necessary to decrease the possibility of earth movement, or actions regarded as necessary safety precautions; and the Grantee shall be liable to the City for the costs thereof.

Section 7. Records. Grantee shall at all times keep complete records showing the relative location and size of all facilities heretofore installed in public right-of-ways within the City. Such records shall be kept current by the Grantee, who shall provide as-builts to the City when this franchise is granted, and if the City permits additional installations, then immediately after construction is complete.

Upon the City's request for information on the location of Grantee's facilities prior to the designing of rights-of-way improvements or other City improvements, the Grantee shall respond with the information on both the horizontal and vertical depth location of the Grantee's facilities no later than two (2) business days after the receipt of the request, unless otherwise agreed by the parties in writing. The City, as excavator, shall have the right to receive compensation from the Grantee for all costs incurred if the Grantee does not accurately locate its facilities as required by this section and in accordance with RCW 19.122.030. Such compensation shall be paid by the Grantee to the City within thirty (30) days after receipt of an invoice

Section 8. Recovery of Costs. During the term of the Development Agreement, Grantee shall be responsible for all costs associated with activities undertaken through the authority granted in this franchise ordinance in accordance with the terms of the MPD Funding Agreement, Exhibit N to the Development Agreement. Thereafter, the Grantee shall be responsible for all permit fees associated with activities undertaken through the authority granted in this franchise ordinance or under the laws of the City. When the City incurs costs and expenses for review, inspection or supervision of activities undertaken through the authority granted in this franchise or any ordinances relating to the subject for which a fee is not established, the Grantee shall pay such costs and expenses directly to the City.

Section 9. Restoration. The Grantee shall, after installation, construction, relocation, maintenance or repair of its facilities within the franchise area, restore the surface of the right-of-way to at least the same condition the property was in immediately prior to any such installation, construction, relocation, maintenance or repair. The MDRT shall have final approval of the condition of such streets after restoration or repair. All concrete encased monuments which have been disturbed or displaced by such work shall be restored pursuant to all federal, state and local standards and specifications. The Grantee agrees to promptly complete all restoration work and

to promptly repair any damage caused by such work to the affected area at its sole cost and expense.

Section 10. Indemnification. The Grantee hereby releases, covenants not to bring suit and agrees to indemnify, defend and hold harmless the City, its officers, officials, employees, agents, volunteers, and representatives from any and all claims, injuries, damages, costs, judgments, awards or liability to any person, including claims by the Grantee's own employees to which the Grantee might otherwise be immune under Title 51 RCW, arising out of or related to any activities or operations performed by Grantee or on Grantee's behalf under or in connection with this franchise, except for injuries or damages to persons or property caused by the sole negligence of the City.

The Grantee further releases, covenants not to bring suit and agrees to indemnify, defend and hold harmless the City, its officers, officials, employees, agents, volunteers, and representatives from any and all claims, injuries, damages, costs, judgments, awards or liability to any person including claims by the Grantee's own employees, including those claims to which the Grantee might otherwise be immune under Title 51 RCW, arising against the City (1) solely by virtue of the City's ownership or control of the rights-of-way; (2) by virtue of the Grantee's exercise of the rights granted herein; or (3) by virtue of the City's permitting the Grantee's use of the City's rights-of-way; which claims are based upon the City's inspection or lack of inspection of work performed by the Grantee, its employees, agents, officers or representatives, in connection with the work authorized on the City's property or property over which the City has control, pursuant to this franchise or pursuant to any other permit or approval issued in connection with this franchise.

This covenant of indemnification shall include, but not be limited by this reference, claims against the City arising as a result of negligent acts or omissions of the Grantee, its employees, officers, representatives or agents in barricading, instituting trench safety systems or providing other adequate warnings of any excavation, construction or work in any public right-of-way in the performance of the work or services permitted under this franchise.

Inspection or acceptance by the City of any work performed by the Grantee at the time of completion of construction shall not be grounds for avoidance of any of these covenants of indemnification. Said indemnification obligations shall extend to claims which are not reduced to a suit and any claims which may be compromised prior to the culmination of any litigation or the institution of any litigation.

In the event that the Grantee refuses the tender of defense in any suit or claim, said tender having been made pursuant to the indemnification clauses contained herein, and said refusal is subsequently determined by a court having jurisdiction (or such other tribunal that the parties shall agree to decide the matter) to have been a wrongful refusal on the part of the Grantee, then the Grantee shall pay all of the City's costs of defense of the action, including all reasonable expert witness fees and reasonable attorneys' fees and the reasonable costs of the City, including reasonable attorneys' fee for recovering under this indemnification clause.

In the event of liability for damages arising out of bodily injury to persons or

damages to property caused by or resulting from the concurrent negligence of the Grantee and the City, its officers, employees and agents, the Grantee's liability hereunder shall be only to the extent of the Grantee's negligence. It is further specifically and expressly understood that the indemnification provided herein covers claims by the Grantee's own employees from which the Grantee might otherwise be immune under Title 51 RCW, and this waiver has been mutually negotiated by the parties.

Section 11. Bond. Except for a street-restoration bond applicable to future repair and maintenance projects undertaken by the developer, the City will not require the Grantee to post bond for the faithful performance of the terms and conditions of this franchise.

Section 12. Relocation. Grantee agrees and covenants at its sole cost and expense, to protect, support, temporarily disconnect, or relocate any of its installations within City right-of-ways when so required by the City by reason of traffic conditions or public safety, dedications of new rights-of-way and the establishment and improvement thereof, widening and improvement of existing rights-of-way, street vacations, change or establishment of street grade, or the construction of any public improvement or structure by any governmental agency acting in a governmental capacity (any or all of which, individually or collectively, constitute a "Public Project").

Any condition or requirement (including, without limitation, any condition or requirement imposed pursuant to any contract or in conjunction with approvals for permit for zoning, land use, construction or development) imposed by the City upon any third party or agreed upon between the City and any third party that reasonably necessitates the relocation of Grantee's facilities within the franchise area shall be deemed to be at the request of and to accommodate such third party.

If the City determines that a Public Project necessitates the relocation of Grantee's then existing facilities, the City shall:

- A. At least sixty (60) days prior to the notice to proceed with the Public Project, provide Grantee with written notice requiring such relocation; and
- B. Provide Grantee with copies of pertinent portions of the plans and specifications for the Public Project and a proposed location for Grantee's facilities so that Grantee may relocate its facilities in other City right-of-way in order to accommodate the Public Project.
- C. After receipt of the notice to relocate and the plans and specifications for the Public Project, Grantee shall complete relocation of its facilities at least ten (10) days prior to commencement of the City's Public Project at no charge or expense to the City. Relocation shall be accomplished in such a manner as to accommodate the Public Project.

Grantee may, after receipt of written notice requesting a relocation of its facilities, submit to the City written alternatives to such relocation. The City shall evaluate such alternatives and advise Grantee in writing if one or more of the alternatives are suitable to accommodate the work

which would otherwise necessitate relocation of the facilities. If so requested by the City, Grantee shall submit additional information to assist the City in making such evaluation. The City shall give each alternative proposed by Grantee full and fair consideration. In the event the City ultimately determines that there is no other reasonable or feasible alternative, Grantee shall relocate its facilities as otherwise provided in this Section. The provisions of this Section shall survive the expiration or termination of this franchise agreement.

The provisions of this Section shall in no manner preclude or restrict Grantee from making any arrangements it may deem appropriate when responding to a request for relocation of its facilities by any person or entity other than the City, where the facilities to be constructed by said person or entity are not or will not become City-owned, operated or maintained facilities, provided that such arrangements do not unduly delay a City construction project.

Section 13. Non-Exclusive Franchise Grant. This franchise is granted upon the express condition that it shall not in any manner prevent the City from granting other or further franchises in, along, over, through, under, below or across any of said streets, avenues, alleys or public rights-of-way of every type and description. Such franchise shall in no way prevent or prohibit the City from using any of said roads, streets or public rights-of-way, or affect the City's jurisdiction over them or any part of them, and the City shall retain power to make all necessary changes, relocations, repairs, maintenance, establishment, improvement, dedication of same as the City may deem fit, including the dedication, establishment, maintenance, and improvement of all new rights-of-way of every type and description.

Section 14. Forfeiture and Revocation. If Grantee willfully violates or fails to comply with any of the provisions of this franchise, or through willful misconduct or gross negligence fails to heed or comply with any notice given the Grantee by the City under the provisions of this franchise, then the Grantee shall, at the election of the City Council, forfeit all rights conferred hereunder and this franchise may be revoked or annulled by the Council after a hearing held upon at least thirty (30) days notice to the Grantee. Prior to or at the hearing, the Grantee may request a reasonable time within which to remedy the default.

The City may elect, in lieu of the above and without any prejudice to any of its other legal rights and remedies, to obtain an order from the superior court having jurisdiction compelling the Grantee to comply with the provisions of this ordinance, and to recover damages and costs incurred by the City by reason of the Grantee's failure to comply.

In addition to any other remedy provided herein, the City reserves the right to pursue any legal remedy to compel or force the Grantee to comply with the terms of this franchise, and the pursuit of any right or remedy by the City shall not prevent the City from thereafter declaring a forfeiture or revocation for breach of the conditions herein.

Section 15. Insurance. Grantee shall procure and maintain for the duration of this franchise, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the exercise of the rights, privileges and authority granted hereunder to the Grantee, its officials, employees and representatives. Grantee shall provide a copy of its insurance policy(ies) to the City for its inspection prior to the adoption of this franchise ordinance.

Grantee shall obtain and maintain insurance of at least the following types of coverage and minimum coverage limits:

1. Automobile Liability insurance covering all owned, non-owned, hired and leased vehicles. Coverage shall be at least as broad as Insurance Services Office (ISO) form CA 00 01, and shall have a minimum combined single limit for bodily injury and property damage of \$1,000,000 per accident.
2. Commercial General Liability insurance shall be at least as broad as Insurance Services Office (ISO) occurrence form CG 00 01 and shall cover liability arising from operations, products-completed operations, and stop-gap liability, and shall be written with limits no less than \$1,000,000 each occurrence, \$2,000,000 general aggregate, and a \$2,000,000 products- completed operations aggregate limit. There shall be no exclusion for liability arising from explosion, collapse, or underground property damage. The City shall be named as an additional insured under the Grantee's Commercial General Liability insurance policy using ISO Additional Insured-State or Political Subdivisions-Permits CG 20 12 or a substitute endorsement providing at least as broad coverage.

Any deductibles or self-insured retentions must be declared to and approved by the City. Payment of deductible or self-insured retentions shall be the sole responsibility of the Grantee. If the Grantee maintains higher insurance limits than the minimums shown above, the City shall be insured for the full available limits of Commercial General and Excess or Umbrella liability maintained by the Grantee, irrespective of whether such limits maintained by the Grantee are greater than those required by this franchise or whether any certificate of insurance furnished to the City evidences limits of liability lower than those maintained by the Grantee.

The insurance policy obtained by Grantee shall name the City, its officers, officials, employees, and volunteers as additional insureds with regard to activities performed by or on behalf of the Grantee. The coverage shall contain no special limitations on the scope of protection afforded to the City, its officers, officials, employees, or volunteers. In addition, the insurance policy shall contain a clause stating that coverage shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability. Grantee's insurance shall be primary insurance as respects the City, its officers, officials, employees or volunteers. Any insurance, self-insurance, or self-insured pool coverage maintained by the City, its officers, officials, employees, and volunteers shall be in excess of Grantee's insurance and shall not contribute with it. The insurance policy or policies required by this clause shall be endorsed to state that coverage shall not be suspended, voided, or canceled by either party, or reduced in coverage or in limits, except after thirty (30) days prior written notice, by certified mail, return receipt requested, has been given to the City. Any failure to comply with the reporting provisions of the policies required herein shall not affect coverage provided to the City, its officers, officials, employees or volunteers.

Insurance is to be placed with insurers with a current A.M. Best rating of not less than A:VII. Before beginning any work under this Agreement, Grantee shall provide evidence, in the form of an original Certificate of Insurance, and a copy of the amendatory endorsements, including the additional insured endorsement, of the insurance requirements specified above. Grantee's failure to maintain the insurance as required shall constitute a material breach of the franchise, upon which the City may, after giving five business days' notice to Grantee to correct the breach, immediately terminate the franchise or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, with any sums so expended to be repaid to the City on demand.

Grantee's maintenance of insurance as required by this franchise does not limit the liability of the Grantee to the coverage provided by such insurance, nor does it otherwise limit the City's recourse to any remedy available at law or in equity.

Section 16. Assignment. This agreement may not be assigned or transferred without the prior, written approval of the City. The Grantee shall provide prompt, written notice to the City of any such proposed assignment. All of the provisions, conditions, regulations and requirements contained in this franchise ordinance shall be binding upon the successors and assigns of the Grantee, and all privileges of the Grantee shall inure to the successors and assigns as if they were mentioned herein.

Section 17. Abandonment of Facilities. Any plan for abandonment of any of Grantee's facilities installed under this franchise or any of its predecessors must be submitted to the City for its written consent. The MDRT shall review the plan for abandonment prior to commencement of any work, and all necessary permits must be obtained prior to such work. The provisions of this Section shall survive the expiration, revocation or termination of this franchise ordinance.

Section 18. Modification. The City and Grantee hereby reserve the right to alter, amend or modify the terms and conditions of this franchise upon written agreement of both parties to such alteration, amendment or modification.

Section 19. Integration. The written provisions and terms of this franchise ordinance shall supersede all prior verbal statements of either party, and any prior franchise ordinance between the parties. Such statements or prior franchise ordinances shall not be effective or be construed as entering into, forming a part of, or altering in any manner whatsoever, this Agreement.

Section 20. Street Vacations. This section will only become operative in those instances where the street vacation is subject to the City's street vacation ordinance, and not in those situations where the street has been vacated by the lapse of time and operations of law. The City may have occasion to vacate certain streets, public ways or areas that have Grantee's facilities located thereon. City agrees to exert reasonable good faith efforts to reserve an easement for Grantee's facilities when a street, public way or area is vacated. If it is not feasible for City to reserve an easement for Grantee's facilities, the proponents of the vacation shall be required (by City) as part of land use or other permitting approvals, to reimburse Grantee all costs to relocated said facilities, as allowed by law.

Section 21. Notice. Any notice or information required or permitted to be given to the parties under this franchise agreement may be sent to the following addresses unless otherwise specified:

Attn: MDRT

Section 22. Binding Effect. All of the provisions, conditions, regulations and requirements contained in this franchise ordinance shall further be binding upon the heirs, successors, executors, administrators, legal representatives and assigns of the Grantee and all privileges, as well as all obligations and liabilities of the Grantee shall inure to its heirs, successors and assigns equally as if they were specifically mentioned wherever the Grantee is mentioned herein.

Section 23. Compliance with Law. The Grantee, its subcontractors, employees and any person acting on behalf of the Grantee shall keep him/herself fully informed of all federal and state laws and regulations, and all municipal ordinances and regulations which in any manner affect the work or performance of the work authorized under this franchise ordinance, whether or not such laws, ordinances, or regulations are mentioned herein, and shall indemnify the City, its officers, agents, employees, volunteers, or representatives against any claim or liability arising from or based upon the violation of any such laws and regulations.

Section 24. Survival. All of the provisions, conditions, and requirements of Sections 6, 7, 9, 10, 17, and 22 shall survive the City's franchise to the Grantee for the use of the areas mentioned in Section 1 herein, and any renewals or extensions thereof.

Section 25. Severability. If any section, sentence, clause or phrase of this franchise ordinance should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or constitutionality of any other section, sentence, clause or phrase of this franchise ordinance. In the event that any of the provisions of this franchise are held to be invalid by a court of competent jurisdiction, the parties reserve the right to renegotiate the grant of franchise and may amend, repeal, add, replace or modify any other provision of this franchise, or may terminate this franchise.

Section 26. Acceptance. This franchise is granted upon the express condition that Grantee, within thirty (30) days after the adoption of this ordinance, shall file with the Clerk of the City a written acceptance of the same together with the other documentation required in this franchise, and when so accepted by the Grantee shall constitute a contract between the City and Grantee for all of the uses, services and purposes herein set forth.

Section 27. Emergency Work – Permit Waiver. In the event of any emergency in which any of Grantee's facilities located in or under any right-of-way breaks, becomes damaged, or if Grantee's construction area is otherwise in such a condition as to immediately endanger the

property, life, health or safety of any individual, Grantee shall immediately take the proper emergency measures to repair its facilities, to cure or remedy the dangerous conditions for the protection of property, life, health or safety of individuals without first applying for and obtaining a permit as required by this franchise. However, this shall not relieve Grantee from the requirement of obtaining any permits necessary for this purpose, and Grantee shall apply for all such permits not later than the next succeeding day during which the Black Diamond City Hall is open for business.

Section 28. Effective Date. This Ordinance shall take effect on the date of its first publication in the City's official newspaper, or on the date the Grantee submits the written acceptance required by Section 26 above, or on the date when Grantee has executed deeds of dedication for public right-of-way purposes the real property referred to as Tract T in Ten Trails Preliminary Plat 1A, Division 1, and Tract A in Ten Trails Preliminary Plat 2C, Division 1, whichever occurs later.
