B. The City shall issue a written Task Order for each project assigned to the Consultant, in the form attached hereto as Exhibit B. The written Task Order shall include the following information, which may be furnished by the City after consultation with the Consultant: (1) Task Order Title (project name); (2) technical approach to the task (if necessary); (3) specific deliverables; (4) schedule with milestones and deliverables; (5) cost/hour estimate; (6) due date of work. Revised 2/26/15

2. **Terms.** This Agreement shall commence on November 6, 2015, (“Commencement Date”) and shall terminate on November 6, 2017, unless extended or terminated in writing as provided herein.

3. **Compensation.**

A. This Agreement does not guarantee any amount of work for the Consultant. Task Orders will be developed as determined by the City and as provided for in this Agreement. The City shall pay the Consultant an amount based on time and materials, not to exceed One Hundred Thousand Dollars (\$100,000.00) for the services described in Section 1 herein. This is the maximum amount to be paid under this Agreement for the work described in this Agreement, and shall not be exceeded without the prior written authorization of the City in the form of a negotiated and executed supplemental agreement. Compensation for the services provided pursuant to any one particular On-Call Task Order shall not exceed Seven Thousand Five Hundred Dollars (\$7,500.00) without the written authorization of the City Council. After commencement of work under any On-Call Task Order, if the Consultant anticipates that the cost related to the work in the Task Order will exceed \$7,500, and prior City Council authorization has not been obtained, the Consultant shall promptly notify the City and provide the City with the necessary documents for the Council’s review and approval of such Task Order.

B. Compensation for the services provided pursuant to each On-Call Task Order shall be on a time and materials basis, according to the list of billing rates and reimbursable expenses, as set forth in Exhibit C, attached hereto.

C. The Consultant shall submit an itemized invoice to the City for each separate Task Order after the services have been performed. The Consultant shall be paid by the City according to this Section for completed services rendered under each approved individual Task Order. Such payment shall be full compensation for work performed or services rendered for all labor, materials, supplies, equipment and incidentals necessary to complete the work.

D. The amount paid by the City for each invoice shall not exceed the amount in Section 3(A) above, and the hourly billing rates set forth in Exhibit C, attached hereto. The City shall pay the full amount of any invoice within sixty (60) days of receipt, unless the City objects to all or any portion of the invoice. If the City so objects, the City shall notify the Consultant of the same and shall pay that portion of the invoice not in dispute, and the parties shall immediately make every effort to settle the disputed portion.

E. The Consultant shall not undertake any work or otherwise financially obligate the City in excess of said not-to-exceed amount in Section 3(A) without a duly authorized amendment to this Agreement. In the event services are required by the City beyond those specified in the Scope of Work and are not included in the compensation listed in Exhibit C, a written contract amendment shall be negotiated and approved by the City before the Consultant expends any effort on such services.

F. Consultant shall keep cost records and accounts pertaining to this Agreement available for inspection by City representatives for three (3) years after final payment unless a longer period is required by a third-party agreement. Copies shall be made available on request.

G. On the effective date of this Agreement (or shortly thereafter), the Consultant shall comply with all federal and state laws applicable to independent contractors, including, but not limited to, the maintenance of a separate set of books and records that reflect all items of income and expenses of the Consultant’s business, pursuant to Revised Code of Washington (RCW) 51.08.195, as required by law, to

show that the services performed by the Consultant under this Agreement shall not give rise to an employer-employee relationship between the parties, which is subject to Title 51 RCW, Industrial Insurance.

#### **4. Discrimination and Compliance with Laws**

A. Consultant agrees not to discriminate against any employee or applicant for employment or any other person in the performance of this Agreement because of race, creed, color, national origin, marital status, sex, age, disability, or other circumstance prohibited by federal, state, or local law or ordinance, except for a bona fide occupational qualification.

B. Even though the Consultant is an independent contractor with the authority to control and direct the performance and details of the work authorized under this Agreement, the work must meet the approval of the City and shall be subject to the City's general right inspection to secure the satisfactory completion thereof. If the services rendered do not meet the requirements of the Agreement, Consultant will correct or modify the work to comply with the Agreement. City may withhold payment for such work until the work meets the requirements of the Agreement.

C. The Consultant agrees to comply with all federal, state and municipal laws, rules and regulations that are now effective or become applicable within the terms of this Agreement to the Consultant's business, equipment and personnel engaged in operations covered by this Agreement or accruing out of the performance of such operations.

D. Consultant shall obtain a City of Black Diamond business license prior to receipt of written Notice to Proceed.

E. Violation of this Section 4 shall be a material breach of this Agreement and grounds for cancellation, termination, or suspension of the Agreement by City, in whole or in part, and may result in ineligibility for further work for City.

**5. Relationship of Parties.** The parties intend that an independent contractor-client relationship will be created by this Agreement. As the Consultant is customarily engaged in an independently established trade which encompasses the specific service provided to the City hereunder, no agent, employee, representative or sub-consultant of the Consultant shall be or shall be deemed to be the employee, agent, representative or sub-consultant of the City. In the performance of the work, the Consultant is an independent contractor with the ability to control and direct the performance and details of the work, the City being interested only in the results obtained under this Agreement. None of the benefits provided by the City to its employees including, but not limited to, compensation, insurance, and unemployment insurance are available from the City to the employees, agents, representatives or sub-consultants of the Consultant. The Consultant will be solely and entirely responsible for its acts and for the acts of its agents, employees, representatives and sub-consultants during the performance of this Agreement. The City may, during the term of this Agreement, engage other independent contractors to perform the same or similar work that the Consultant performs hereunder.

#### **7. Suspension and Termination of Agreement**

A. Termination without cause. This Agreement may be terminated by the City at any time for public convenience, for the Consultant's insolvency or bankruptcy, or the Consultant's assignment for the benefit of creditors.

B. Termination with cause. The Agreement may be terminated upon the default of the Consultant.

C. Rights Upon Termination.

1. *With or Without Cause.* Upon termination for any reason, all finished or unfinished documents, reports, or other material or work of Consultant pursuant to this Agreement shall be submitted to City, and Consultant shall be entitled to just and equitable compensation for any satisfactory work completed prior to the date of termination, not to exceed the total compensation set forth herein. Consultant shall not be entitled to any reallocation of cost, profit or overhead. Consultant shall not in any event be entitled to anticipated profit on work not performed because of such termination. Consultant shall use its best efforts to minimize the compensation payable under this Agreement in the event of such termination. Upon termination, the City may take over the work and prosecute the same to completion, by contract or otherwise.

2. *Default.* If the Agreement is terminated for default, the Consultant shall not be entitled to receive any further payments under the Agreement until all work called for has been fully performed. Any extra cost or damage to the City resulting from such default(s) shall be deducted from any money due or coming due to the Consultant. The Consultant shall bear any extra expenses incurred by the City in completing the work, including all increased costs for completing the work, and all damage sustained, or which may be sustained by the City by reason of such default.

D. Suspension. The City may suspend this Agreement, at its sole discretion. Any reimbursement for expenses incurred due to the suspension shall be limited to the Consultant's reasonable expenses, and shall be subject to verification. The Consultant shall resume performance of services under this Agreement without delay when the suspension period ends.

E. Notice of Termination or Suspension. If delivered to the Consultant in person, termination shall be effective immediately upon the Consultant's receipt of the City's written notice or such date as stated in the City's notice of termination, whichever is later. Notice of suspension shall be given to the Consultant in writing upon one week's advance notice to Consultant. Such notice shall indicate the anticipated period of suspension. Notice may also be delivered to the Consultant at the address set forth in Section 15 herein.

**8. Standard of Care.** Consultant represents and warrants that it has the requisite training, skill and experience necessary to provide the services under this agreement and is appropriately accredited and licensed by all applicable agencies and governmental entities. Services provided by Consultant under this agreement will be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing in similar circumstances.

**9. Ownership of Work Product.**

A. All data materials, reports, memoranda, and other documents developed under this Agreement whether finished or not shall become the property of City, shall be forwarded to City at its request and may be used by City as it sees fit. B. All written information submitted by the City to the Consultant in connection with the services performed by the Consultant under this Agreement will be safeguarded by the Consultant to at least the same extent as the Consultant safeguards like information relating to its own business. If such information is publicly available or is already in Consultant's possession or known to it, or is rightfully obtained by the Consultant from third parties, the Consultant shall bear no responsibility for its disclosure, inadvertent or otherwise.

**10. Work Performed at the Consultant's Risk.** The Consultant shall take all precautions necessary and shall be responsible for the safety of its employees and agents in the performance of the work hereunder, and shall utilize all protection necessary for that purpose. All work shall be done at the Consultant's own risk, and the Consultant shall be responsible for any loss or damage to materials, tools, or other articles used or held by the Consultant for use in connection with the work.

**11. Indemnification.** The Consultant shall defend, indemnify and hold the City, its officers, officials, employees, agents and volunteers harmless from any and all claims, injuries, damages, losses or suits, including all legal costs and attorneys' fees, arising out of or in connection with the performance of this Agreement, except for injuries and damages caused by the sole negligence of the City. The City's inspection or acceptance of any of the Consultant's work when completed shall not be grounds to avoid any of these covenants of indemnification.

Should a court of competent jurisdiction determine that this Agreement is Subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Consultant and the City, its officers, officials, employees, agents and volunteers, the Consultant's liability hereunder shall be only to the extent of the Consultant's negligence.

IT IS FURTHER SPECIFICALLY AND EXPRESSLY UNDERSTOOD THAT THE INDEMNIFICATION PROVIDED HEREIN CONSTITUTES THE CONSULTANT'S WAIVER OF IMMUNITY UNDER INDUSTRIAL INSURANCE, TITLE 51 RCW, SOLELY FOR THE PURPOSES OF THIS INDEMNIFICATION. THE PARTIES FURTHER ACKNOWLEDGE THAT THEY HAVE MUTUALLY NEGOTIATED THIS WAIVER. THE CONSULTANT'S WAIVER OF IMMUNITY UNDER THE PROVISIONS OF THIS SECTION DOES NOT INCLUDE, OR EXTEND TO, ANY CLAIMS BY THE CONSULTANT'S EMPLOYEES DIRECTLY AGAINST THE CONSULTANT.
