King County

Water Quality Improvement Project Grant Agreement

**AGREEMENT
between
CITY OF BLACK DIAMOND
and
KING COUNTY**

This is an Agreement between **City of Black Diamond**, hereinafter the “RECIPIENT” and King County, a political subdivision of the state of Washington, hereinafter the “COUNTY.” **This Agreement is effective as of the date of the COUNTY signatory.**

The purpose of this Agreement is to set forth the terms, conditions, and the legal and administrative relations that apply to the RECIPIENT in exchange for financial assistance in carrying out a proposed project entitled **North Commercial and State Route 169 Stormwater Treatment Facility**, hereinafter the “PROJECT.”

Section 1. Background and Recitals:

- A. RECIPIENT description: City of Black Diamond, a municipality located in southeast King County
- B. Proposed PROJECT benefit or improvement to water quality and/or the regional wastewater treatment system and its ratepayers: Supports final design and construction of wetland and infiltration swale to address stormwater outfall in Green River/Soos Creek basin to provide treatment prior to discharge to Ginder Creek.
- C. The COUNTY plans and proposes to remunerate the RECIPIENT for the purpose described in Subsection B above in an amount up to, but not exceeding \$243,643, hereinafter the “AWARD.”
- D. This AWARD is made with the understanding that the RECIPIENT will complete the PROJECT as outlined in the Scope of Work (Exhibit A) and will fulfill reporting requirements as described under the Terms and Conditions of this Agreement.
- E. The RECIPIENT plans to contribute to this PROJECT a cash and/or in-kind match valued at \$676,357, to be verified in submitted PROJECT reports.

Section 2. Terms and Conditions:

- A. The PROJECT shall be in accordance with the tasks and activities specified in the Scope of Work (Exhibit A). Any modifications must be requested in an Agreement Amendment

and be approved by the Director of the Wastewater Treatment Division (WTD) in the COUNTY's Department of Natural Resources and Parks.

- B. The COUNTY will, upon execution of this Agreement, establish procedures to allow payment to the RECIPIENT of all eligible expenses for approved activities up to the limit of the AWARD. Payments are on a reimbursement basis; except in special circumstances, at the discretion of the COUNTY, where advances of a portion of the AWARD may be made. Twenty percent (20%) of the AWARD amount will be withheld by the COUNTY until receipt of the final Quarterly Progress and Expense Reports and the Closeout Reports.
- C. The RECIPIENT's expenditures of AWARD funds shall be separately identified in the RECIPIENT's accounting records. If requested, the RECIPIENT shall comply with other reasonable requests made by the COUNTY with respect to the manner in which PROJECT expenditures are tracked and accounted for in the RECIPIENT's accounting books and records. The RECIPIENT shall maintain such records of expenditures as may be necessary to conform to generally accepted accounting principles, and to meet the requirements of all applicable state and federal laws.
- D. The COUNTY will reimburse RECIPIENT for expenses on a quarterly basis, following receipt and approval of Quarterly Progress Reports, Quarterly Expense Reports, and Closeout Reports. Twenty percent (20%) of the AWARD will be held back until a close-out verifies fiscal and programmatic compliance with the terms and conditions of the agreement.
 - 1. The RECIPIENT shall be responsible for submitting the following PROJECT progress reports: Quarterly Progress Reports (Exhibit E), Quarterly Expense Reports (Exhibit F or G), Financial Closeout Report (Exhibit H), and Narrative Closeout Report (Exhibit I); including backup documentation such as photos, copies of articles, and financial backup such as copies of receipts.
 - 2. Quarterly Progress Report (Exhibit E) and Quarterly Expense Report (Exhibit F or G) shall be submitted together.
 - a. Each Quarterly Progress Report shall be presented in the format shown in Exhibit E of this Agreement; each Quarterly Expense Report shall be presented in the format shown in Exhibit F of this agreement.
 - b. The Quarterly Progress and Quarterly Expense reports are due thirty (30) days after the end of each quarter.
 - c. If no expenses are made during a quarter, no Expense Report is needed. However, the Quarterly Progress Report should still be submitted and indicate that no expenses were made during that time period.

- d. The Quarterly Expense Report should detail expenses and include backup documentation of expenses.
- 3. Financial Closeout Report (Exhibit H) and Narrative Closeout Report (Exhibit I) shall be submitted together, which will include closeout documentation.
 - a. The Final Closeout reports are due thirty (30) days after the end date of the contract or not later than February 28, 2019.
- E. Failure to submit the aforementioned Quarterly Report on the PROJECT progress within ninety (90) days of the due date may be cause for the COUNTY to terminate this agreement for non-performance. Termination would require the return of any funds advanced but not already spent executing the PROJECT, as well as forfeiture of AWARD funds for activities not completed by termination date.
- F. Failure to provide all of aforementioned documentation may result in the need to withhold part or all of the AWARD.
- G. Costs eligible for payment shall be limited to those costs identified in the Budget (Exhibit B) and incurred during the effective dates of this Agreement.
- H. Any and all activities to be funded by this Agreement to the RECIPIENT shall be completed by February 28, 2019. If needed, an Agreement Amendment may be granted to extend the terms of the contract beyond the end date, adjust the scope of work, or change the budget details (but not increase the total AWARD amount), conditioned upon approval by KING COUNTY. The extension must be requested and approved at least sixty (60) days in advance of the original end date.
- I. The RECIPIENT agrees to acknowledge the COUNTY in all media, publications, and signage that are produced as part of the PROJECT. This includes press releases, public service announcements, posters, flyers, signage, Web pages, blogs, and videos. The RECIPIENT will use the wording provided in Exhibit C of this Agreement (Credit and Disclaimers).

Section 3. Legal and Administrative Relations:

- A. The RECIPIENT shall maintain such records of expenditures as may be necessary to conform to generally accepted accounting principles and to meet the requirements of all applicable state and federal laws. The RECIPIENT shall maintain and submit to the COUNTY any such records as the COUNTY may require to conduct any audit of the PROJECT it may elect to conduct or to substantiate expenditures paid for by this AWARD. The RECIPIENT shall maintain and retain books and records related to the Agreement for at least three (3) years after the termination of said Agreement.
- B. The COUNTY's financial assistance to the RECIPIENT shall be construed by the parties as a special disbursement to the RECIPIENT to fund activities, as described herein that

generally benefit the COUNTY's efforts to leverage or complement the water quality mission of the regional wastewater system. The COUNTY's sole obligation under this agreement shall be to provide funds to the RECIPIENT and this agreement shall not be construed as a contract for services between the RECIPIENT and the COUNTY, or as establishing a principal agent relationship between the COUNTY and the RECIPIENT. No joint venture or partnership is formed as a result of this Agreement.

- C. The RECIPIENT shall be solely responsible for the recruiting, training, and supervision of its employees and volunteers. Individuals hired and paid by the RECIPIENT shall not, in any event, be construed to be employees of, or contractors to, the COUNTY and the RECIPIENT shall indemnify and hold harmless the COUNTY from any and all claims arising from any contention that said individuals are employees of, or contractors to, the COUNTY. This condition shall survive the termination of this Agreement. All actions undertaken under the funding provided by the terms of this agreement are, as between the COUNTY and the RECIPIENT, the sole responsibility of the RECIPIENT. No employees, agents, volunteers, or contractors of RECIPIENT shall be deemed, or represent themselves, to be employees of the COUNTY.
- D. RECIPIENT agrees for itself, its successors, assigns or by others including, without limitation, all persons directly or indirectly employed by RECIPIENT, or any agents, contractors, subcontractors, consultants, subconsultants, volunteers, licensees or invitees of RECIPIENT, to defend, indemnify, and hold harmless the COUNTY, its appointed and elected officials, and employees from and against liability for all claims, demands, suits, and judgments, including costs of defense thereof for injury to persons, death, or property damage which is caused by, arises out of, or is incidental to RECIPIENT's exercise of rights, privileges, and obligations under this Agreement, except for the COUNTY's sole negligence. RECIPIENT's obligations under this section shall include, but not be limited to all of the following: (i) The duty to promptly accept tender of defense and provide defense to the COUNTY with legal counsel acceptable to the COUNTY at RECIPIENT's own expense; (ii) Indemnification of claims made by RECIPIENT's own employees or agents; and (iii) Waiver of RECIPIENT's immunity under the industrial insurance provisions of Title 51 R.C.W. but only to the extent necessary to indemnify the COUNTY, which waiver has been mutually negotiated by the Parties.

In the event it is necessary for the COUNTY to incur attorney's fees, legal expenses, or other costs to enforce the provisions of this section, all such fees, expenses, and costs shall be recoverable from RECIPIENT. The provisions of this Section 3.D shall survive the expiration, abandonment, or termination of this Agreement.

- E. Nothing in this Agreement shall be construed as prohibiting the RECIPIENT from undertaking or assisting projects developed outside the purview of this Agreement, or entering into agreements with other parties to undertake said projects in accordance with whatever terms and conditions may be agreed to between the RECIPIENT and other parties.

- F. The COUNTY shall be under no obligation to continue this agreement and may request partial or full reimbursement of payments it made to the RECIPIENT should the RECIPIENT fail to perform according to the terms and conditions of this Agreement, whether or not failure to perform is within the RECIPIENT's control.
- G. This Agreement may be amended at any time by written concurrence of the parties through a formalized Amendment Agreement Form and will terminate upon fulfillment of all obligations contained herein.
- H. The COUNTY may terminate this Agreement immediately for cause. If this Agreement is terminated the RECIPIENT shall return any unused portion of the funds advanced up to the date of termination.
- I. Invalidity or unenforceability of one or more provisions of this Agreement shall not affect any other provision of this Agreement.
- J. In its performance under this Agreement the RECIPIENT shall not discriminate against any person on the basis of sex, race, color, marital status, national origin, religious affiliation, disability, sexual orientation, gender identity or expression, age except by minimum age, and retirement provisions, unless based upon a bona fide occupational qualification, and the RECIPIENT shall not violate any of the terms of chapter 49.60 RCW, Title VII of the Civil Rights Act of 1964, or any other applicable federal, state, or local law or regulation regarding nondiscrimination in employment.
- K. Authority: Representations and Warranties. Each signatory to this Agreement represents and warrants that he or she has full power and authority to execute and deliver this Agreement on behalf of the entity for whom he or she is signing.
- L. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, and all counterparts together shall constitute but one and the same instrument. The exchange of copies of this Agreement and of signature pages by facsimile transmission, by electronic mail in "portable document format" ("pdf") form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by combination of such means, shall constitute effective execution and delivery of this Agreement as to the Parties and may be used in lieu of the original Agreement for all purposes. Signatures of the Parties transmitted by facsimile shall be deemed to be their original signatures for all purposes.
- M. The effective date of this agreement is the date of COUNTY signatory.

EXHIBIT J: FUNDING AUTHORITY

The funding authority for this AWARD comes from the COUNTY, through its Department of Natural Resources and Parks, which operates a regional system of sewage treatment and conveyance facilities for which it collects charges from local governments. Said charges constitute the source of revenue for operation of the COUNTY's sewage treatment system. By agreement with said local governments, this revenue can be used only to fund expenditures that are related to the development, operation, maintenance, and replacement and improvement of said system. By budget authority, the COUNTY funds activities related to the regional water quality objectives advanced by the development of the sewage treatment system.
