TRAIL AND NON-MOTORIZED ACCESS EASEMENT

1. GRANTOR, EMF Enterprises, LLC ("Grantor"), the owner of that real property described on **Exhibit A** attached hereto and incorporated herein, for valuable mutual benefits and public purposes, hereby grants and conveys to GRANTEE, CITY OF BLACK DIAMOND, a Washington municipal corporation ("Grantee"), a perpetual easement over, across, along, under, through, and upon the real property described in **Exhibit B** (the "Easement Area") and depicted on **Exhibit C** (Map), all of which are attached hereto and by this reference incorporated herein. This easement is granted for the purposes of constructing, maintaining, providing, operating, and repairing a recreational trail and non-motorized access facility ("Trail"), together with related improvements, for pedestrian, bicycle, and other non-motorized recreational uses by the public, and includes the right of ingress and egress for maintenance vehicles (the "Easement").

2. The Grantee shall pay the Grantor \$3000 as full consideration for this Trail and non-motorized access easement.

3. The Trail referenced in this Easement shall consist of an eight-foot (8') wide gravel, board walk, asphalt and/or wood chip surface and associated improvements, which may include fencing, landscaping, seating, and signage. Grantee agrees to maintain the surface of the trail/access facility by replenishing the gravel and/or wood chip surface at least every two years or as needed. The Grantee also agrees to maintain any additional improvements such as signage or seating installed by the Grantee.

4. Grantor grants this Easement solely for recreation uses, and Grantor and Grantee agree that Grantor and Grantee are entitled to those protections set out in RCW 4.24.200 and 4.24.210.

5. Grantee shall comply and shall cause all of its agents, employees, and representatives to comply with all applicable government laws and regulations while exercising its rights under this Easement. The public shall have the right to use the Trail within the limitations ordered by the City, which shall prohibit operation of motorized vehicles on the Trail. The City will provide garbage cans and "dog poop" bags at the Trail head on either end.

6. Grantee does hereby release, indemnify and promise to defend and save Grantors harmless from and against any and all liability, loss, damage, expense, actions and claims, including costs and reasonable attorney's fees incurred by Grantor in defense thereof, resulting or arising directly or indirectly on account of or out of negligent acts or omissions of Grantee or its servants, agents, employees or contractors in the exercise of the rights granted herein; provided, however, this paragraph does not indemnify Grantors against liability for damages arising out of bodily injury to persons or damage to property caused by or resulting from the negligence of Grantors, their agents or employees. "Loss" includes any loss, liability, damage, claim, demand, action, cause of action, penalty, cost, or expense of any nature, including court costs and attorneys' fees.

7. In the event of litigation between or among the parties hereto, declaratory or otherwise, in connection with or arising out of this Easement, the prevailing party shall recover from the non-prevailing party all costs, including reasonable attorneys' fees, paralegals' fees, and other professional or consultants' fees expended or incurred in connection therewith, as set by the court, including for appeals, which shall be determined and fixed by the court as part of the judgment.

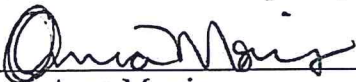

8. The laws of the state of Washington, excluding its conflict-of-laws rules, shall govern the interpretation of this Easement. Any action brought to enforce or interpret any term of this Agreement or to establish its validity or enforceability, shall be brought exclusively in the Superior Court for King County, Washington. The parties hereby submit to personal jurisdiction in King County, Washington.

9. This easement is a covenant running with the land and shall forever bind Grantor, and its heirs, successors, and assigns.

10. This Easement may not be modified except by written instrument signed by all parties hereto. Grantor agrees not to grant or convey to any other person or entity any other easements within the Easement Area without the express written consent of Grantee.
