WHEREAS, the City desires for Consultant to continue providing similar planning services and Consultant has agreed to provide such services on the terms and conditions provided in this Agreement;

NOW, THEREFORE, in consideration of the mutual promises set forth herein, it is agreed by and between the parties as follows:

TERMS

I. Description of Work.

The Consultant shall assign professional planning staff, as identified in Exhibit A, to the City to perform on-call planning services for the period identified in Section IV. Such planning services shall include, but not be limited to, review of applications for legislative approvals, review of project permit applications, drafting staff reports to decision-makers, attending hearings and meetings relating to same, drafting public notices and other decision-documents, and ensuring that project permit applications are timely reviewed and processed according to law.

The City shall issue a written Task Order, as identified in Exhibit B, for each project assigned to the Consultant. The written Task Order shall include the following information, which may be furnished in consultation with the Consultant: (1) Task Order Title (project name); (2) technical approach to the task (if necessary); (3) specific deliverables; (4) schedule with milestones and deliverables; (5) cost/hour estimate; (6) due date of work. All of these items may be brief, but will be sufficiently detailed for the Consultant to understand the work being authorized and the amount it will cost. Written Task Orders and Notices to Proceed may be issued as e-mail documents.

The Consultant represents and warrants that it and any staff member assigned to the work will have the requisite training, skill, and experience necessary to provide the services required by this Agreement and if required, are appropriately accredited and licensed by all applicable agencies and governmental entities. Services provided by Consultant and its subconsultant(s) under this Agreement will be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing in similar circumstances. The Consultant shall not subcontract with any subconsultant for the performance of any work under this Agreement without prior written permission of the City.

II. Payment

A. The City shall pay the Consultant an hourly rate of the Planner and Project Manager as described in the billing rates in Exhibit C. The payment made by the City to the Consultant shall not exceed \$200,000 for the services described in Section I herein. This is the maximum amount to be paid under this Agreement for the work described in Exhibit A, and shall not be exceeded without the prior written authorization of the City in the form of a negotiated and executed supplemental agreement. PROVIDED, HOWEVER, the City reserves the right to suspend or terminate the Consultant's compensated services under the time frame set forth in Section IV herein before reaching the maximum amount.

B. This Agreement does not guarantee any amount of work for the Consultant. Task Orders will be developed as determined by the City and as provided for in this Agreement. The Consultant shall be paid by the City for completed services rendered under each approved individual Task Order. Such payment shall be full compensation for work performed or services rendered and for all labor, materials, supplies, equipment and incidentals needed to complete the work.

C. The Consultant shall submit monthly invoices to the City for each Task Order after such services have been performed, and a final bill upon completion of all the services described in this supplemental Agreement. The City shall pay the full amount of an invoice within sixty (60) days of receipt. If the City objects to all or any portion of any invoice, it shall so notify the Consultant of the same within fifteen (15) days from the date of receipt and shall pay that portion of the invoice not in dispute, and the parties shall immediately make every effort to settle the disputed portion.

D. The Consultant will not undertake any work or otherwise financially obligate the City in excess of the not-to-exceed amount in Section II(A) above, without a duly authorized amendment to this Agreement. The amount paid by the City for each invoice shall not exceed the amount in Section II(A) above and the Hourly Billing Rates set forth in Exhibit C, attached hereto.

III. Relationship of Parties

The parties intend that an independent contractor-client relationship will be created by this Agreement. As the Consultant is customarily engaged in an independently established trade which encompasses the specific service provided to the City hereunder, no agent, employee, representative or sub-consultant of the Consultant shall be or shall be deemed to be the employee, agent, representative or sub-consultant of the City. In the performance of the work, the Consultant is an independent contractor with the ability to control and direct the performance and details of the work, the City being interested only in the results obtained under this Agreement. None of the benefits provided by the City to its employees including, but not limited to, compensation, insurance, and unemployment insurance are available from the City to the employees, agents, representatives, or sub-consultants of the Consultant. The Consultant will be solely and entirely responsible for its acts and for the acts of its agents, employees, representatives and sub-consultants during the performance of this Agreement. The City may, during the term of this Agreement, engage other independent contractors to perform the same or similar work that the Consultant performs hereunder.

IV. Duration of Work

This Agreement is effective as of January 1, 2019, and shall remain in effect until terminated by written notice in accordance with Section V, below. The parties agree that the individual projects assigned to the Consultant may have individual deadlines for completion that must be met, as described in the Task Orders.

V. Termination

A. Termination of Agreement. The City may terminate this supplemental Agreement, for public convenience, the Consultant's default, the Consultant's insolvency or bankruptcy, or the Consultant's assignment for the benefit of creditors, at any time prior to completion of the work described in Section I. B. Rights Upon Termination. In the event of termination, the City shall pay for all services satisfactorily performed by the Consultant to the effective date of termination, as described on a final invoice submitted to the City. Said amount shall not exceed the amount in Section II above. Upon termination, the City may take over the work and prosecute the same to completion, by contract or otherwise.

VI. Discrimination

In the hiring of employees for the performance of work under this Agreement or any sub-contract hereunder, the Consultant, its Subcontractors, or any person acting on behalf of such Consultant or sub-consultant shall not by reason of race, religion, color, sex, national origin, or the presence of any sensory, mental, or physical disability, discriminate against any person who is qualified and available to perform the work to which the employment relates.

The City's inspection or acceptance of any of the Consultant's work when completed shall not be grounds to avoid any of these covenants of indemnification.

Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Consultant and the City, its officers, officials, employees, agents and Volunteers, the Consultant's liability hereunder shall be only to the extent of the Consultant's negligence.
